

My Little Pony: Scootertrix the Abridged: Episode 24

by

Jack Getschman

EXT. LIBRARY - DAY

Birds are SINGING loudly. Scene cuts to the inside of the library. SPIKE is walking down the stairs and TWILIGHT is pacing with an OWL on her back.

SPIKE

Hey, Twi. I'm going to go to the store and get some punch for the party toni- Whoa. Where'd the owl come from?

TWILIGHT

Who?

SPIKE

The owl.

TWILIGHT

Who?

SPIKE

The OW-

Spike SIGHS. Twilight grins smugly.

SPIKE (CONT'D)

Why do you have an owl, Twi?

TWILIGHT

Isn't he neat? I got him to keep up with all the young people.

Spike SIGHS.

SPIKE

What?

TWILIGHT

Owls are a real hoot, you know.

The owl winks at the camera.

SPIKE

Wait, hang on-

Beat.

SPIKE (CONT'D)

Yah, no one's laughing.

TWILIGHT

No really. I'm **tal**on-ya spike, they're great.

SPIKE
Jesus. Did- did you just- did you
spend all night coming up with owl
puns or something?

TWILIGHT
Owl night?

SPIKE
Twi!

TWILIGHT
(with mirth)
What?

SPIKE
God you're so lame! If I hear one
more owl pun, I'm gonna punch you
in your face.

TWILIGHT
Oh- well I **feather** stop then huh?

SPIKE
Twi-

INT. CASTLE - DAY

CELESTIA and LUNA stand in front of the stain glass window.

CELESTIA
Luna, it's war!

LUNA
But you can't announce your
imminent meteor bombardment of the
Sombra's Armies as, and I quote,
"a once in a lifetime celestial
dance spectacular?"

CELESTIA
But Luna, it is once in a
lifetime.

Beat.

CELESTIA (CONT'D)
Well, their lifetimes, not our
lifetime.

LUNA
This is sick!

CELESTIA
(as if complimented)
I know!

LUNA
Not that kind of sick! On the
flyers, it says, "a treat for the
whole family?"

CELESTIA
Oh yah. Fun for all ages. The
kittens are gonna love it.

LUNA
Celestia!

Celestia SIGHS.

CELESTIA
Luna, a meteor shower onto
Sombra's zombies is the only way
to stop them. The advertising
campaign was just to keep the
ponies calm when they see massive
balls of exploding ice plummeting
down towards the north.

Beat.

CELESTIA (CONT'D)
Plus I... made table money off the
deal.

LUNA
You sold tickets?!

CELESTIA
At cost, at cost.

Beat.

CELESTIA (CONT'D)
Virtually.

LUNA
To a bombardment? You sold tickets
to the incineration of over a
hundred thousand creatures!

CELESTIA

Luna, it's not like they're changlings, they're zombies! By definition, they're already dead. I'm just throwing them this... courtesy cremation. Yeah, I- I should be charging them.

LUNA

What will your subjects say?

CELESTIA

My subjects are nowhere near the impact zones. They'll just see pretty, twinkling, falling stars, ripe for making wishes on.

Beat.

CELESTIA (CONT'D)

Oh darn it. I should have used that.

LUNA

ARGH!

CUT TO:

INT. TWILIGHT'S HOUSE - DAY

Birds are SINGING. Spike and Twilight are arguing.

TWILIGHT

Oh come on, it was a little funny.

SPIKE

Uh, it was a little pathetic. Is that the only reason you bought an owl?

TWILIGHT

Pfft. No.

SPIKE

Wow. This is just... I'm telling everyone about this tonight.

TWILIGHT

Oh... no... You do- you don- You don't need to do that.

SPIKE

I'm doing it.

TWILIGHT

No-

Twilight SIGHS.

TWILIGHT (CONT'D)

Uh, Spike?

SPIKE

Yah?

TWILIGHT

I think the spaghettinoodles just caught on fire.

SPIKE

Oh good. Give them a couple more minutes then.

TWILIGHT

(through clenched teeth)

Spike...

(normally)

You better not destroy our oven again. You remember the last with Berry Punch? How that went down?

SPIKE

Yah yah yah. Hey, is Berry Punch coming to this thing?

TWILIGHT

Wha- no! Never again!

SPIKE

Oh come on, Twi. It was only once!

TWILIGHT

Uh, wrong- it was four times! And on top of the oven... The bathroom window is still broken, I don't know when the store will have straws in stock again, and Ponyville made it to the cover of "Poor Choices Monthly" which, I didn't even know was a magazine until they presented Mayor Mare with the award!

SPIKE

Ohhhh. I love that pony. Now she's a real hoot.

TWILIGHT

Shut up.

Scene switches to outside of the library. The fire alarm SOUNDS.

TWILIGHT (CONT'D)
Spike!

SPIKE
Yah, yah. I got it.

CUT TO:

INT. LIBRARY - NIGHT

TEXT
LATER THAT NIGHT

The MANE SIX are all talking in the room.

FLUTTERSHY
And then I said to him, Ultra
Fast? More like Ultra... Not...
Fast.

PINKIE
Uh, yah, wow- wow, yeah, that's
fantabulous, Fluttershy.

Scene switches to RARITY.

RARITY
So um, cool party, Twilight.

TWILIGHT
Yeah, thanks! Yeah, I thought we'd
have one for that star-shower
thing tonight. It's supposed to be
this, "once in a lifetime
celestial dance spectacular."

SPIKE
Hey, Rarity, guess what Twilight
did last night.

TWILIGHT
Oh no...

SPIKE
She spent forty bits on an owl,
just to make owl puns.

TWILIGHT
It wasn't forty bits...

RARITY
You spent forty bits on an owl,
just to make owl puns?

TWILIGHT
No.

SPIKE
She totally did! It was cringy as
hell!

TWILIGHT
No I didn't.

RARITY
Wow. You really did didn't you?

TWILIGHT
No I didn't!

SPIKE
Oh no, that's right, I'm sorry. Y-
you got one to, "keep up with all
the young people." Whatever the
hell that's supposed to mean.

It is nighttime at the library. Scene switches to THE BIRD.

THE BIRD
Well, let me think of an example.
Let's say we have a guy, let's
call him Derped Chaos 411. He goes
to the-

APPLEJACK
I- wait a minute.

THE BIRD
What?

APPLEJACK
Why is he called Derped Chaos 411?

THE BIRD
It was the first name that came
into my head.

TWILIGHT
Wha- **that** was the first name that
came into your head?! Derped Chaos
411?!

THE BIRD
I don't know. Yes.

TWILIGHT

I- why? That's like thinking of a name like King Cocoon, or something.

RARITY

Um. I knew a King Cocoon once.

TWILIGHT

Wha- You **knew** a King Cocoon?!

RARITY

Yah. Um. They lived down the street.

TWILIGHT

But I just made that up just now.

RARITY

Well I knew one.

FLUTTERSHY

That's nothing, man. I knew a Apanx when I was in flight school.

APPLEJACK and Twilight talk over each other.

APPLEJACK

That's not that weird.

TWILIGHT

I- Well I mean that's just kinda... guess it kinda sounds like a buffalo name.

SPIKE

That is not a buffalo name.

FLUTTERSHY

Well I mean, that was just his nickname, man. His real name was Ross Pit: Shark Hunter.

TWILIGHT

Ross Pit: Shark Hunter- Wha, well why didn't you just say that?!

FLUTTERSHY

I don't know, we always called him Apanx, man!

TWILIGHT

Apanx- Wha- we are talking about
bizarre names!

SPIKE

Oh really Twi?! You're gonna go
after how ridiculous a name
sounds?!

TWILIGHT

What?

SPIKE

What's your name, Twi?

TWILIGHT

Twili-

SPIKE

TWILIGHT. SPARKLE!

Beat.

TWILIGHT

So...

SPIKE

Oh so Ross Pit: Shark Hunter is
weird, but Twilight Sparkle
isn't?!

TWILIGHT

Well I mean, maybe not to a
dragon, but...

SPIKE

Just today, I ran into a stallion
named Business Savvy. His first
name was literally BUSINESS! As in
that's what his parents named him!

TWILIGHT

I- okay, let's just drop it.

Applejack eats something.

APPLEJACK

Hey Spike. Did you make the
cookies? They're gorgeous.

SPIKE

Yah. I made everything.

APPLEJACK
Really?! Damn, you really are a
good cook.

SPIKE
Uh, thanks?

RARITY
Oh yah. Um, I was gonna say. Um,
the spaghettinoodles taste just
like home!

APPLEJACK
Okay. You know what? I'm gonna try
the spaghettinoodles.

Rarity GASPS.

RARITY
You're going to try... the uh,
um...

Pause. Rarity makes LIP SMACKING SOUNDS.

RARITY (CONT'D)
(very quickly)
The spaghettinoodles?!

SPIKE
Oh snap! Hang on, let me go get
'em.

The Bird and FLUTTERSHY talk over each other.

FLUTTERSHY
(in the background)
I think it would be really scary
to eat the spaghettinoodles.

PINKIE
Hey Twilight, can I talk to you
for a second? Outside? Please?

TWILIGHT
Uh. Yah Sure.

SPIKE
(in the background)
Alright, here we go.

APPLEJACK
Alright, here I go.

They go outside. Behind them the rest of the Mane Six are
CHEERING at Applejack eating the noodles.

CUT TO:

EXT. LIBRARY - NIGHT

Pinkie pulls Twilight to the side.

TWILIGHT
What's up?

PINKIE
(scared)
Twilight. Something's wrong.

TWILIGHT
What?

PINKIE
I don't know what it is but
something doesn't feel right.

TWILIGHT
Do you feel sick, or-

PINKIE
No. No it's... I've felt a
disturbance in the fourth...

CUT TO:

INT. LIBRARY - NIGHT

Applejack and Spike are in discussion.

SPIKE
So, AJ. You want the recipe?

APPLEJACK
Pfft. Sure. Say, how did you get
to be such a good cook anyway?

SPIKE
It's been a passion of mine, since
I was a kid.

APPLEJACK
A kid? Aren't you like a baby
dragon- or something?

SPIKE
Dude. Dragons have really, really
long lifespans. I'm literally
older than you.

APPLEJACK
Wha- No way. How old are you!

SPIKE
Twenty seven.

APPLEJACK
Damn.

Beat.

APPLEJACK (CONT'D)
Well for a baby... You sure are a good cook.

SPIKE
Thanks. I'm glad some people like it.

RARITY
Um... What do you mean?

SPIKE
Well, uh... Back home, they'd, uh, make fun of me. 'cause baking isn't considered very dragonlike.

APPLEJACK
Aw, Spike.

SPIKE
What?

APPLEJACK
I didn't know that.

SPIKE
Well I- It's not a big deal.

RARITY
Aw, little Spike. No, you- you're just a big softy aren't you.

SPIKE
Jesus Christ. Why're you treating me like a kid?

APPLEJACK
Because you are one, Spike.

RARITY
Don't worry, we love you.

SPIKE
 Okay, that's... that's enough out
 of you two.

CUT TO:

EXT. LIBRARY - NIGHT

Pinkie and Twilight discuss outside.

TWILIGHT
 Well, did you check the script?

PINKIE
 That's just it. I can't find
 anything wrong. We have fun time
 at the party, watch the meteor
 shower, and that's it. Then
 credits.

TWILIGHT
 Well... Maybe it's a mistake?

PINKIE
 But I can feel it, Twilight! I can
 feel it. I- It feels like...

Beat.

TWILIGHT
 It feels like something really bad
 is about to happen.

Beat.

TWILIGHT (CONT'D)
 Well... Well what can we do to
 help?

PINKIE
 I don't- I don't know.

TWILIGHT
 Okay. Okay. Alright, look. Pinkie.
 Pinkie!

PINKIE
 What?

TWILIGHT
 We are... the Elements of Harmony.
 Okay?

(MORE)

TWILIGHT (CONT'D)

We live in the heart of the most powerful empire in the world, under the most powerful being in the world. If something bad does happen, we're together and we'll act. As a wise pony once said, we'll burn that bridge when we get to it. Okay?

PINKIE

I guess so.

TWILIGHT

We've got your back, Pinkie.

PINKIE

Thanks.

CUT TO:

EXT. HILLSIDE - NIGHT

Ponies gather at the top of the hill. They talk over each other. The meteors begin to fall. The Mane Six gaze at the falling stars in wonderment.

TWILIGHT

You see that Pinkie? The sky's filled with lovely floating sparkles ripe for making wishes on.

Pause.

TWILIGHT (CONT'D)

How do you feel now?

PINKIE

I don't know.

TWILIGHT

Well... Sometimes things turn out alright.

PINKIE

Yah... I guess so.

The ponies gaze up at the stars in silence. The camera slowly zooms out.

CUT TO:

END CREDITS

There are intermittent glitches in the video and audio.

VIDEO GLITCHES AND
CUTS TO BLUE:

INT. SUGAR CUBE CORNER - NIGHT

Pinkie GASPS. She pushes open a door to a bedroom and looks horrified.

PINKIE
What the hell?!

Beat.

PINKIE (CONT'D)
There's an after credit scene?!

Pinkie walks out of the room.

PINKIE (CONT'D)
But there's never an after credits
scene!

THE VOICE speaks in a multi-pitch voice.

THE VOICE
Hello, little equine.

PINKIE
Who's there?!

THE VOICE
You're so small... So fragile...
So poorly written.

PINKIE
Wha...

THE VOICE
(whispered in right ear)
Oh, hello there. I'm glad you
stayed past the credits.
(whispered in left ear)
We're going to have so much fun.

PINKIE
Who are you? Show yourself!

THE VOICE
(whispered in right ear)
Hmmm, it's not very smart is it?
(to Pinkie)
Pinkie... Why ask who I am, when
you can just look at the script,
and find out?

Pinkie's eyes widen. She GASPS and CHOKES in surprise.

PINKIE
(bewildered and
terrified)
I can't. I can't see the script!

The Voice LAUGHS quietly.

THE VOICE
(whispered)
I know.

The screen glitches out wildly.
